**APPLICANT'S STATEMENT OF THE
SUBSTANCE OF THE INTERVIEW**

Sir:

On August 5, 2010, a telephone interview was conducted between the undersigned, Examiner Alex Efta and Supervisory Examiner Philip Tucker. The substance of that interview is described in Examiner Efta's Interview Summary mailed August 17, 2010 and which the undersigned agrees accurately reflects what was discussed at that time. In particular, Claim 4 was discussed, as well as the propriety of the pending rejections. It was suggested by Supervisory Examiner Philip Tucker that prosecution should be reopened, thereby withdrawing the pending final Office Action. Thus, Applicant will not file a formal response to the pending final Office Action and awaits a new non-final Office Action. Applicant appreciates and would like to thank the Examiner and Supervisor for their kind consideration in this regard.
